

UC Irvine School of Medicine
Center for Epigenetics and Metabolism
Department of Biological Chemistry
Seminar Series

Dr. Jean-Marc Egly, Ph.D.

Research Director

Institute of Genetics and Molecular and Cellular Biology (IGBMC)
Strasbourg, France

**CSA/CSB, they named it Transcription Coupled Repair (TCR)
Let's call it Regulator of Transcription Arrest**

October 16th, 2017 2:00 pm – 3:00 pm

Hitachi Lecture Hall

Sponsored by the Center for Epigenetics and Metabolism
