## Guidelines for Letters of Recommendation (LOR) Heath Sciences Clinical Professor Series (Updated 10/24/19)

---

**Appointments to HS Clinical Instructor:** LORs NOT required

**Appointment to HS Assistant Clinical Professor:** 3 LORs; letter-writers do not need to be non-conflicted; candidate-nominated letter-writers are acceptable.

**Appointment or Promotion to HS Associate Clinical Professor:** 4-5 LORs. At least 3 letter-writers must be department-nominated and non-conflicted. However, for this rank, letter-writers may be current UC Irvine faculty but must be from outside of the faculty member's home or joint department (including affiliate sites). Other 'conflict' categories still apply (please see examples below).

**Appointment or Promotion to HS Clinical Professor and Appointment or Advancement to Professor Above Scale:** 4-5 LORs. At least 3 letter-writers must be department-nominated and non-conflicted.

**Advancement to Professor Step VI:** LORs NOT required, though the department may solicit letters if it feels that letters will strengthen the file. Note: candidate has the right to request that the Chair solicit LORs.

**All Accelerated Merits:** LORs NOT required, though the department may solicit letters if it feels that letters will strengthen the file.

- Substantive collaboration in the last 4 years
- Close personal or familial relationship
- Current faculty at UCI (\*Please see above for exceptions/allowance related to appointment/promotion to the HS Associate Clinical Professor rank)
- Direct financial relationship
