

TRAVEL POLICY AMENDMENT COVID-19

EFFECTIVE MARCH 11 – MAY 31, 2020

This is an amendment to UCI [Sec. 715-01: Travel Policy](#) which implements UC BFB-G-28: Travel Regulations.

This UCI Policy amendment also applies to [Sec. 420-10: Policy for Student International Activities](#) and [Sec. 420-11: Procedures for Student International Activities](#).

This policy applies to all UCI Faculty, Staff, Students, Residents, Fellows, Volunteers, Visitors and Contractors

A. International Travel

1. UCI Sponsored Travel

UCI is prohibiting all non-essential University-sponsored International Travel to any country to reduce the risk of potential spread of infection to other areas and in support of global health.

For essential travel that occurs to any foreign country, exceptional approval must be obtained from a division level supervisor, for example Deans, Vice Chancellors, Associate Chancellors, or Chiefs and as detailed below;

- a. For faculty and staff, only:
 - i. International travel should only be undertaken when it is essential.
 - ii. Essential Travel is defined as travel that is required and cannot be postponed-in order to preserve the:
 - Safety of a patient or research subject or;
 - Results of research activity.
 - iii. Essential Travel does not include travel to attend academic conferences.
 - iv. Approvers for faculty and staff essential travel should consult with the International Risk Review Team (IRRT) at global@uci.edu to ensure compliance with quickly changing conditions and UCOP policies.
 - v. Department Chairs and institute/organized Research Unit Directors are responsible for ensuring that their faculty are aware of and adhere to this requirement.
 - vi. As requirements for clinical or health campus may be different, please consult with your Division head for restrictions that may apply to you.
- b. For students:
 - i. With respect to travel for students, on a case by case basis, alternate ways will be considered to meet a student's graduation requirement.
 - ii. International travel should only be undertaken when it is essential.
 - iii. Essential Travel is defined as travel that is required and cannot be postponed-in order to preserve the:
 - Safety of a patient or research subject or;
 - Results of research activity.

- iv. Essential Travel does not include travel to attend academic conferences.
- v. Travel for students may only be approved by the Dean of the relevant school
- vi. Secondly, travel for students must be approved by the International Risk Review Team (IRRT)
- vii. Deans of the Schools and Graduate Division are responsible for ensuring that students and trainees are aware of this requirement.
- viii. Procedures for Student International Activities need to adhere to Academic Affairs Policy 420-11

B. Domestic Travel

1. UCI Sponsored Travel

UCI prohibits all non-essential university-sponsored domestic travel.

UCI encourages finding alternate means of conducting business as we work to help limit the potential spread of infection to other areas.

- a. Any UCI Sponsored Domestic Travel must follow the approval process below:
 - i. A written explanation of why the travel is necessary and the consequence of not traveling to the specific domestic location
 - ii. Exceptional pre-approval should be documented via ad hoc routed to the Dean or Vice Chancellor, Associate Chancellor or Chief, must be in the Travel Reimbursement document.

C. Steps for all UCI Travel

1. All faculty, staff and students planning travel must:
 - a. Register your travel with [UC Away](#) if traveling on official University business if business travel is not booked in [Connexus](#).
2. All faculty, staff and students planning to travel should consider:
 - a. Purchasing individual travel insurance if traveling.
 - b. Signing up for [travel alerts](#) through the [US Department of State](#). Consult with your health care provider or visit a travel clinic to ensure your vaccinations are current and for travel-related advice.
 - c. Confirming all flight, lodging, train and bus reservations with your service providers before travel due to changing conditions.
3. Reimbursement Process for Travel Cancellations due to COVID-19
